## ABOUT THIS WINERY

Lindeman's global popularity has been driven by the positive philosophy of Dr Henry Lindeman, who established Lindeman's in the Hunter Valley in 1843. Perfect for everyday moments, yet equally worthy of an occasion, Lindeman's immensely popular wines are approachable and accessible, with an unfailing record of consistent quality and timeless appeal. What makes us smile? Friends and family around the table, sharing stories over a bottle of wine.

## TASTING NOTES

Dress with an intense ruby color. Powerful nose dominated by fruity, empyreumatic and spicy notes. This red has a refreshing acidity and is provided with coated tannins. True to the scents perceived on the nose, it evokes flavors of cooked fruit, barley sugar and vanilla. The mouth with an almost oily texture ends in a fairly sustained finish.
