TASTING NOTES

Colour: A beautiful golden amber colour.

Style: Complex, warm, subtly woody flavours with a very smooth palate.

PRODUCT NOTES

For our French Brandies, harvests come from different regions of France: mainly Champagne, Cognac and South of France. Our French Brandies are made from white varietals such as Colombard, Ugni-Blanc or Chardonnay.

PRODUCTION NOTES

Wine making: harvesting, pressing, then fermentation during 3 weeks.

White wine with strong acidity and low alcohol (9% vol) is required to lead further a good distillation.

Distillation: when boiling in a pot still, the alcoholic vapors, water and numerous aromatic compounds rise upward and are collected in a condenser where they become liquid again. The distillation process is carried out twice.

Ageing: Small oak barrels or bigger oak tanks.
