TASTING NOTES

The maximum experience « On Ice »! Freshness, sweetness and fruity, all in one, with a pale pink colour and elegant bubbles. Intense aromas of fresh strawberries, cherries and raspberries.

PRODUCT NOTES

From vineyards slightly under clay-limestone soils, the grapes are harvested in Spain and Italy, in partially manual work. The steps for winemaking happens under low temperatures to keep all potential of freshness from the wines.

PRODUCTION NOTES

The wines are initially selected for its freshness, intensity and aromatic puissance. In our cellars in Landiras, near Bordeaux, our winemakers drives the process to bring a sparkling effect of higher relevance. In this way, regardless the melted ice on the wine, JP CHENET keeps its bubbles and its aromas!
