ABOUT THIS WINERY

Before founding Grey Fox Vineyards in 1996, the Arrigoni and Cecchi families spent much of their free time pursuing their passion for flying small planes. It was on these getaways that conversations turned to dreams of planting a vineyard and building a winery. A seed was planted and it began to take hold. Their goal is to create high quality wine by constantly overseeing and improving their vineyard to produce great fruit.

TASTING NOTES

This Chardonnay wine is crisp, fruity, and elegant. Crafted in the European style, light in Oak. These premium grapes are grown in the Mendocino area as our climate is too warm to produce premium quality Chardonnay wine.
