ABOUT THIS WINERY

Sena, is a signal of the world and the culmination of a vision shared by two families of wines who have joined their dreams and their efforts to give birth to the first wine Icon of Chile. In 1995, Napa Valley Industry Manager Robert Mondavi and Eduardo Chadwick of Vina Errazuriz kicked off the first strategic alliance of the Chilean wine industry to create a unique wine that captures the essence of grapes.

TASTING NOTES

The 2020 vintage of Rocas de Seña has a beautiful purple colour. Subtle aromas of coffee and Asian spices with a touch of mocha from the oak create a very deep and complex nose. The palate is vibrant and tense with good density and shows multiple layers of fresh fruits, spices, and balsamic notes with a hint of smoke. It displays great freshness and a smooth texture with a long and juicy finish. This is a very elegant and splendidly youthful wine.
