ABOUT THIS WINERY

Mission Hill Family Estate Reserve wines are elegant and balanced, reflecting our passion and commitment to viticultural and winemaking excellence. The limited quantity wines are produced from select vineyard properties and showcase the distinctiveness of the world-renowned Okanagan Valley.

TASTING NOTES

Vivid and fragrant, the nose is generous with a bouquet of intense black fruits, from currants to ripe blackberries, with a herbaceous nuance. Layers of earthy character follow, with a cigar box and licorice complexity. The firm tannin structure lends itself to a long, rich and savory finish.

PRODUCT NOTES

An OCULUS was first used by the Romans in buildings like the Pantheon - a window in a dome or wall to the outside. At Mission Hill, our oculus provides the only natural light into our underground barrel cellar, blasted out of volcanic rock that is otherwise hidden from the world. Our complex Oculus Bordeaux-style wine is the result of meticulous selection in the vineyard estate with grapes that have been specifically nurtured for this rare wine.
