ABOUT THIS WINERY

Nature can be cultivated, but not easily tamed. While steeped in the landscape of Alto Adige (South Tyrol), which is shaped by timeless traditions of agriculture, Alois Lageder is equally open to the spirit of the modern world: his convictions have led him to opt for a way of life that is close to nature, and supports sustainable methods of operation.

TASTING NOTES

Brilliant straw yellow with a green shimmer. Quite pronounced and expressive aroma with flowery and somewhat spicy notes. Lively, precise, with a slight smokiness at the back and a good, fresh finish. Best to be drunk: When properly cellared, this wine may be kept for approximately 2 years

PRODUCTION NOTES

Fermentation in stainless steel tanks, followed by maturation on the fine lees for at least four months. Partially fermented in contact to whole cluster.
