#### ABOUT THIS WINERY

Imagery Estate Winery was forged from a thirst for experimentation, dedicated to crafting rare wines from uncommon varietals and character-rich vineyards. We shine the spotlight on interesting varietals that are all too often swallowed up in big blends. Worldly wines like Malbec, Tempranillo, and Lagrein will broaden the horizon of anyone, from aspiring wino to seasoned connoisseur.

#### TASTING NOTES

Our Cabernet Sauvignon is an elegant wine with well integrated oak and silky tannins. Sweet notes of dark fruit and vanilla are met with flavors of toast and tea in the mid-palate. We blend our Cabernet Sauvignon with 5% Petite Sirah which gives essence of layered spice, clove and pepper that complete the wine.

## PRODUCTION NOTES

## MARK ANTHONY

The 2022 growing season started warmer & drier than usual at all the vineyard properties. Below average rainfall for the year, with ideal growing conditions in the Spring during flowering, made for a strong fruit set on the vines. Heat in August and September sped up maturity leading to an early start on Harvest.
