ABOUT THIS WINERY

Founded in 1882 by Josef Torley - an experienced Champagne House owner and innovative entrepreneur who recognized the similar climatic growing condition in Hungary. The quality is a part of the largest vineyard owner in the country (900ha), Hungaria stands the test of time and always delivers an exceptional product for the price. Still today, wines are matured in the +100 year-old cellar where they are bottle fermented in the traditional method.

TASTING NOTES

Fairly deep yellow-green color with persistent bubbles. Fairly intense nose that releases aromas of green apple, hazelnut and toast. This white shows a refreshing acidity. Its ample texture fades into a slightly lingering finish.
