MISSION HILL
Family Estate

ABOUT THIS WINERY

The goal at Mission Hill is to ensure that future generations of farmers will continue to produce the Okanagan Valley's finest grapes and visitors will be able to enjoy the area's majestic beauty. Sustainability is critical to that long-term success. As a family-owned winery with strict control over the operations, vineyards, and quality they are able to infuse sustainability into a variety of stages both in the vineyards and at the winery.

TASTING NOTES

The 2012 Compendium is distinctive, with black currant, Italian plum aromas and flavours up front, but also displays blackberry, wild herb and star anise notes. Elegant and concentrated, this wine presents a core of fruit accented by youthful tannins that will soften in the short term.
