

Attack Chardonnay 2014

ANTHONY
GISMONDI

93 POINTS

“ Stony, seashore, flinty aromas mark the nose with flecks of five spice and tropical notes. The palate is equally lively with bright citrus flavours with bits of ginger, mineral and sea salt. A fresh, inviting impressive white wine with a big future. Next World BC chardonnay. Fresh cracked Dungeness crab and butter would be a special match. ”

- Anthony Gismondi, April 2017
