

N/V

**91 POINTS**

“ Very pale pink. Big ample nose and palate with aromas and flavors of red berries, quinine and orange peel. Chewy and tactile, offering lovely balance and a hint of extra sugar on the back end, but this works. The color is rather atypical for a Salento Rosato, but I guess it does echo the pale pink wines of Provence that are all the rage nowadays. ”

- Ian D'Agata, June 2018
